- Able to deal with customers orders direct and over the phone.
- Good communication skills required to communicate with the kitchen staffs and to have conversations with customers. Good memory is a vital skill when working in restaurant.
- General work such as cleaning, stock taking, money handling.

Interests

I enjoy various kinds of sports, mainly play football and go jogging in my spare time to stay in shape. I am a keen supporter of Reading FC. Listening to music and watching Anime in my spare time is a joy.

I love to travel, keen to explore different cultures. So far, I have been fortunate to have travelled around various parts of the world. I found these trips to be a great experience, and it has helped me broaden my cultural knowledge and awareness of my surroundings.

Design Awards

2006: Design Boom

- House Party, Sound cube (Scube), highly commended

2004-2005: Royal Society of Arts, Design Directions

- RSA Design, finalist for Global Interactivity, 3rd prize, highly commended
